## PLEASE NOTE

Palm Equipment International Ltd products are guaranteed for 12 months from the date of purchase. The guarantee is only valid to the original consumer purchaser against defects in material and workmanship. If a product is found to be defective during the first 12 months of use due to a manufacturing failure, Palm Equipment will repair or replace at our option any defective part.

This guarantee does not cover normal wear, or damage resulting from abuse, alteration or unauthorised repair. Due to the vulnerability of latex gaskets and immersion suit fabric socks they carry no guarantee once the garment has been worn. Clothing must be clean and dry before being sent back for warranty and repair work. Wet or dirty products will not be repaired and will be returned to sender. Please allow up to 21 days for items to be returned.

This guarantee does not affect your statutory rights.
